A Prize Picture Puzzle.

EXPLANATION.—The following picture contains four faces, a man and his three daughters. Any one can find the man's face, but it is not so easy to distinguish the faces of the three young ladies. The picture was published in a few newspapers some time ago, and attracted considerable attention to our standard remedies. We now offer a **new prize** competition in connection with it. As the sole object is to **introduce** our medicines into **new homes**, those who entered the former competition are requested not to compete in this one. As to the reliability of "The Ford Pill Co.," and the estimation in which their medicines are held in Toronto, Canada, where they are best known, patrons are referred to the daily newspapers, wholesale druggists and leading business houses generally of Toronto.
